MEMORANDUM FOR: Director of Personnel

Bob:

Your memorandum of 15 April 1968 reminds me that, at a meeting in Mr. Bannerman's office, you indicated a longer term question as to the appropriateness in the routing process of the PATB test. When this drew some reaction from John Tietjen, it is my recollection that the agreement was that you and he would meet to discuss this as a separate matter. Could you sometime indicate whether this has happened and what resulted.
